

# XBa School of Dance

presents:

A one of a kind International Dance Day Event

**Wednesday, April 29th, 2020**

**at NOON**

Living in isolation since March 15th, 2020, the XBa family of dancers and teachers appears together in a virtual performance in celebration of International Dance Day.

Though our days are difficult, nothing can stop us from dancing.

Celebrate with our XBa family and watch, enjoy, and dance along from your homes, gardens, parks, wherever you may be.

**#XBatogether**

We will dance together soon again
